### **McDonalds**

Rumor on the street has it that Elma will soon be getting their very own McDonalds restaurant. The business park/strip mall currently under construction off Highway 12, is also rumored to be the location of Mickey D's. This would be the only fast food stop between Montesano and McCleary.

### **Wynooche Valley Meats & Deli**

For the meat lovers amongst us, Montesano has a new meat and deli shop! Besides a variety of pork and beef for sale, they also perform custom meat cutting, wild game processing and even farm slaughter.

Located at 92 Old Wynooche Road in Montesano.

### **Washington Crab Expansion**

Although not a new business in Grays Harbor, Washington Crab has finished construction of a 9,000 square foot state-of-the-art processing and cold storage facility, adjacent to their existing facility at the Westport Marina. Westport continues to be the number one seafood landing port in the state!

## **NEW WEBSITE!**

*You're driving in a nice neighborhood and happen upon a for-sale sign. In the 'olden' days, you'd write down the address and upon arriving home, call the listing office to inquire. Now you can simply go to our new website [www.prg.h.co](http://www.prg.h.co) via your mobile phone and click on 'SearchNearby'. There at your fingertips will be information on the very home you're looking at from the curb! This app works in most all of western Washington-- Enjoy!*

## Client Testimonial for Broker Mike Horan

*"Mike got the job done like I wanted-- could not have been better!" ~John Hircock*

## Harbor Sales Report

Sales of single-family homes continues to strengthen throughout Grays Harbor county. After 3 quarters, sales have increased by 14% over 2014. The first 3 quarters of 2014, saw an increase of almost 18% over the 2013 figure. Although we are not in a Seller's market (as is much of the I5 corridor), we are nevertheless seeing good numbers in terms of sales.

The rental market also continues to be strong which, in a strengthening sales market, usually means people are relocating to the Harbor from other areas, rather than Tenants simply becoming Owners.
